

All the meticulous planning and detailing that goes into producing a generator is not something people think of – nor should they! We work hard to make sure that people don't have to think about generators – after all that's what we do for a living. In TDPS we make first class generators for the world.

Note: The above figures are extracted from the standalone financial statement of the company

During fiscal 2017, the company continued to experience challenging circumstances - an uncertain global environment, sluggish domestic market scenario, and severe competition both in the domestic & overseas markets. These challenges contributed to a lower total income of Rs. 38,738.07 lakhs in Fiscal 2017 (lower by 18.34%) as compared to Fiscal 2016. Net sales from manufacturing business was Rs. 30,912.57 lakhs compared to Rs. 35,925.91 lakhs in Fiscal 2016 contributing 79.80% of our Total Income in Fiscal 2017. Net sales from our Project Business was Rs. 6,031.46 lakhs compared to Rs. 9,609.10 Lakhs in Fiscal 2016 contributing 15.57% our Total Income in Fiscal 2017.

Exports and deemed exports contributed 67% of manufacturing Revenue in Fiscal 2017 as compared to 56% in Fiscal 2016 reflecting our continuing focus on growing our overseas markets. Your company continues to add new customers in steam, gas turbine, hydro & diesel segments in different parts of the world with a growing footprint of generator installations in over 80 countries worldwide .

Earnings Before interest, tax, depreciation & amortization (EBITDA) decreased by Rs 1,764.27 lakhs or 35.20% to Rs. 3,247.46 Lakhs in Fiscal 2017 as compared to Rs. 5,011.73 Lakhs in Fiscal 2016. Profit before tax and extraordinary items decreased by Rs. 1,623.58 Lakhs or 95.92%, to

Rs. 69.08 Lakhs in Fiscal 2017 from Rs. 1,692.66 Lakhs in Fiscal 2016 mainly due to reduced sales volumes. Profit after tax decreased by Rs. 1,488.98 Lakhs, or 99.41%, to Rs. 8.90 Lakhs in Fiscal 2017 from Rs. 1,497.88 Lakhs in Fiscal 2016.

The pending orders as of March 31, 2017 are Rs. 35,405.45 lakhs comprising of both manufacturing (Rs. 29,696.22 lakhs) and project business (Rs. 5,709.23 lakhs).

The net worth of the Company stands at Rs. 49,414.79 lakhs with the accretion of Rs. 8.9 lakhs to total reserves during the year.

No material changes & commitments affecting the financial position of the Company have occurred between the end of the financial year of the Company to which these financial statements relate and the date of this report.

### Dividend

In view of the reduced turnover and profits, the Directors have recommended a lower dividend of Rs. 1.80 per equity share for the year ended March 31, 2017 as against Rs. 3.05 per equity share for the year ended March 31, 2016. This Dividend is subject to approval of the shareholders at the forthcoming Annual General Meeting (AGM). The dividends will entail a payout of Rs. 720.07 lakhs including dividend distribution tax of Rs. 121.80 lakhs.

#### Policy on Directors' appointment and remuneration

The current policy is to have an appropriate mix of executive and independent directors to maintain the independence of the board, and separate its functions of governance and management.

The policy of the Company on directors' appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of directors and other matters as required under Section 178 (3) of the Companies Act, 2013 is available on the Company's website [www.tdps.co.in](http://www.tdps.co.in). There has been no change in the policy since the last fiscal year. We affirm that, remuneration paid to the directors is as per the terms laid out in the Nomination and Remuneration policy of the Company.

Details of Policy on directors' appointment and remuneration form part of the Corporate Governance report - Annexure 10.

#### Subsidiaries

As on March 31, 2017, the Company has four (4) wholly owned subsidiaries - DF Power Systems Private Limited (an Indian Subsidiary), TD Power Systems (USA) Inc., in the United States of America, TD Power Systems Japan Limited, in Japan and TD Power Systems Europe GmbH in Germany.

During the year, the Board of Directors reviewed the affairs of the subsidiaries. In accordance with Section 129(3) of the Companies Act, 2013, read with Rule 8 of Companies (Accounts) Rules, 2014, the Company has prepared its consolidated financial statement including all the said Subsidiaries which is forming part of this Report. Further, a statement containing the salient features of the financial statement of the said subsidiaries in Form AOC-1 is appended as Annexure 2 to the Boards' Report.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statements, including the consolidated financial statements and related information of the Company and audited accounts of each of its subsidiaries, are available on our website [www.tdps.co.in](http://www.tdps.co.in). These documents will also be available for inspection during business hours at our registered office in Bengaluru, India.

A review of the operations of the subsidiaries is as follows:

#### Indian Subsidiary

During the year ended March 31, 2017, the Wholly Owned Subsidiary (WOS) DF Power Systems Private Limited completed the residual activities in respect of completed projects and has fulfilled all warranty obligations in respect of EPC contracts undertaken by it. For the year ended March 31, 2017 the WOS incurred a loss of Rs. 107.80 lakhs on a total revenue of Rs. 297.37 lakhs mainly due to fall in revenues consequent on scaling down of business.

#### US Subsidiary

The operations of this subsidiary have been revived during the second half of the year based on certain market opportunities which are promising. The Marketing team has been strengthened to meet market requirements which resulted in growing enquiry pipeline resulting in orders during the year. The operations of this Company during the year under report have resulted in revenue of Rs. 1,887.17 lakhs as compared to Rs 451.28 lacs in Fiscal 2016-an increase of about 318% over Fiscal 2016. This increased revenue has enabled the Company to reduce operating losses to Rs. 70.59 lakhs as compared to Rs 337.75 lacs in fiscal 2016 – a decrease of 79%.

## Directors' Report (contd.)

### Japan Subsidiary

Major activities of this subsidiary are now conducted through the Company's Branch office at Japan. Accordingly, the revenues for Fiscal 2017 has reduced to Rs. 932.28 lakhs as compared to Rs 2871.55 lacs In Fiscal 2016 with profit before tax of Rs. 22.06 lacs in Fiscal 2017 as compared to a loss of Rs 19.23 lacs in Fiscal 2016.

### German Subsidiary

Certain orders were executed in steam & Hydro segment during the Fiscal 2017 resulting in a revenue of Rs. 167.77 lakhs as compared to Rs 1.19 lacs in fiscal 2016. The loss for the Fiscal 2017 is Rs. 282.83 lakhs mainly due to fixed overheads.

The market in Europe is mainly in the hydro segment from European customers. The Steam generators market is improving gradually. TDPS Europe has enhanced our market outreach in Europe improving access to European customers with potential to grow our order pipeline.

### Internal Financial Control

The Company has designed and implemented a process driven framework for Internal Financial Controls ("IFC") within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. **Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo**

[Section 134(3) (m) of The Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014]

<b>A. Conservation of Energy</b>	
Steps taken or impact on conservation of energy	BESCOM Contract demand reduced by 50% for U1 & U2. GVPI-curing ovens, heater rating reduced to 180 KW, from 210 KW. & 150 KW, from 168 KW. Total 48 KW per hour. LED lights changed for coil tapping area. Micamation m/c-Rotor pole coil-two pole coils is pressed at a time instead of one coil. Fluorescent tubes have been replaced with LED tube lights in administration block . In unit2 LED high bay fittings are planned and will be commissioned in August 2017.
Steps taken by the company for utilizing alternate sources of energy	Solar power purchase through open access is under progress for both units. PPA proposed to be signed during August 2017Substantial savings in power costs expected
Capital investment on energy conservation equipments	Nil
<b>B. Technology Absorption</b>	
1. Efforts made towards technology absorption	Development of advanced insulation system, large frames in horizontal configuration, Development and manufacture of high power rating machines for a specific application jointly with a global leader. Optimization of frame to meet the stringent specification requirements of Weight, Efficiency, Reactance's, Grid code and overall size reduction. Analytical and FEA methods are used to verify the stability and performance during design stage. Foray into cost-saving and environment conscious projects based on wind energy and Geo-thermal energy continued to be made. Judicious use of available Epoxy Resin+ Hardner impregnating mix in different plants (3 in number) by inter-transfers, while maintaining stringent quality control, has yielded considerable cost saving. Absorption of technology for generators used for various applications and large generators is in progress.
2. Benefits derived like product improvement, cost reduction, product development or import substitution	Improvement of machine performance, enhanced ability to manufacture generators of various ranges, applications, large sizes and strengthening collaborative manufacturing aspects satisfying performance and quality requirements of global markets. Weight reduction achieved due to reduction in Core length and endshield optimization. Achieved significant cost reduction per machine. Standardization of plate thicknesses and configurations have yielded ready to use parts at a short period of time. Shaft forgings are standardised for certain segment to augment the shorter delivery requirements To meet the competitive price, design optimized and frame size reduced. Achieved significant cost reduction per machine. Developed mid size vertical generators for Hydro market for niche customers
3. In case of imported technology (imported during the last three years reckoned from the beginning of the FY),	Design and manufacturing technology in respect of steam and hydro and new generation type generators.
a. Technology Imported	
b. Year of Import	2008/2011/2013
c. Has technology been fully absorbed	Manufacture of large generators in progress and absorption in respect of critical parts and assemblies completed while in respect of certain other critical parts of a large generator the absorption is under study. Manufacturing commenced in respect of wind generators. Machines with International Certifications and stringent customer specifications developed.

## Annexure to the Directors' Report (contd.)

	d. If not fully absorbed, areas where this has not taken place, reasons thereof	The technology imported is being absorbed backed by training and development which is a gradual process due to high quality and precision requirements.

**Annual Report of Corporate Social Responsibility Activities (CSR) & CSR Policy**

[Pursuant to Section 135 of the Companies Act, 2013]

1. Composition of the CSR Committee

In accordance with Section 135 of the Companies Act, 2013 and the Rules pertaining thereto, a committee of the Board known as 'Corporate Social Responsibility Committee (CSR Committee)' has been constituted comprising of the following members:

Name	Category	Description
Mr. Ravi Kanth Mantha	Independent Director	Chairman
Mr. Nitin Bagamane	Independent Director	Member
Mr. Nikhil Kumar	Managing Director	Member

2. A brief outline of the company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programme

The CSR Policy is to focus in areas such as Environment (Waste-to-energy processes, greening of the environment), Water (Revival of water bodies, groundwater recharge, storm water management, water supply) Sanitation (access to toilets for all, treatment of wastewater, reuse of treated water) and Solid Waste Management (Reduce, reuse, recycle) with a five year road map.

## Annexure to the Directors' Report (contd.)

The CSR committee formulated this CSR policy and the proposed activities under the said policy are as specified by Schedule VII of the Companies Act, 2013. The Board of Directors of the Company, after taking into account the recommendations of the CSR Committee has approved this CSR Policy for the Company. As required under Section 135(4) of the Companies Act, 2013, this policy is uploaded on the Company's website [www.tdps.co.in](http://www.tdps.co.in)

The CSR Policy believes that tangible and accelerated social benefit will be derived if the Company focuses its CSR activities in one geographical area / location and accordingly the CSR initiatives are being executed mostly in and around villages in Nelamangala taluk, Bangalore Rural District where the Company's operations are situated currently.

In terms of the CSR policy, the CSR committee selected a project relating to integrated water & sanitation management in Tymagondalu Village, Nelamangala Tq, Bangalore Rural District as the CSR initiative of the Company.

A water body in a decrepit state has been restored during the year aiding augmentation of ground and surface water. Further, as a part of sanitation objectives activities such as garbage free village, decentralized STP and solid waste management programs has been initiated in two wards with related training and awareness campaign. A pilot project for the Solid Waste Management (SWM) program has been commenced with house to house

campaign. Micro level segregation of dry waste has also been commenced. Institutional Capacity Building, Solid waste management, Allocation of Land for Wet waste treatment, Recharge of Bore well, Construction of Community Toilet at Bus stand, development of Public Space etc., are the CSR activities undertaken for the financial year 2016-17.

Our CSR intervention engaged with key stakeholders of the village to get a buy-in on implementing a sustainable Integrated Water and Sanitation system for the village. A Project Support Unit (PSU) was created to interface with the institutions and citizens on the program.

**MANAGEMENT DISCUSSION AND ANALYSIS**

India continued to be the fastest growing major economy in the world in fiscal 2017. However, Investments in the country's core sectors continued to be depressed, as the private sector was constrained by debts and large non-performing assets (NPAs) continued to be a source of worry for the banks. Despite the best efforts by the government, both at central and state levels, demand remained tepid in the core sectors leading to lower capacity utilization in sectors like cement, steel, non-ferrous metal. Public sector capital expenditure was restricted to renewable energy, power transmission, highways and railways. Customers slowed down the speed of project execution as a result of demonetization impacting turnover and profitability.

The global scenario offered no cause for cheer as it continued to encounter challenges including volatility, Eurozone instability, depression in crude oil and commodity prices, currency depreciation/volatility in emerging markets and a continuing slowdown in China

Given the above scenario, the company continued to experience challenging circumstances in fiscal 2017 as the much awaited acceleration of investments & industrial growth did not gain the required speed. The capital goods industry continued to be rated as an underperformer due to lower capacity utilization and slowdown in user industries.

We continued to be one of the leading manufacturers of AC Generators for a diverse range of prime movers with output capacities ranging from 1 MW to 200 MW for steam and gas and up to 35 MW for hydro and up to 20 MW diesel and gas engines and customized rating for wind turbines, catering to both conventional and renewable fuel based power plants. As in the last two to three years the domestic market for generators continued to be sluggish in Fiscal 2017. Consistent compression in demand over the last three years intensified competition in the domestic markets consequently resulting in unrealistic pricing pressures. This led to large companies emerging as competitors, who used their deep pockets to start a price war in the market. The market was at best a "push market rather than a pull market" resulting in deferment of deliveries and an extended working capital cycle.

The manufacturing order inflow in Fiscal 2017 was Rs 35,518.36 lakhs as compared to Rs. 35,004.33 lakhs in Fiscal 2016. Domestic market contributed 27% in Fiscal 2017 & 43% in Fiscal 2016 and exports (including deemed exports) contributed 73% in Fiscal 2017 & 57% in Fiscal 2016 reflecting our continuing focus on overseas market. As of March 31, 2017 (Fiscal 2017) 3,342 generators with an aggregate output capacity of over 24,864 MW have been supplied to over 80 countries

Steam, Hydro & Gas application generators contributed 41%, 18% & 28% respectively of the revenue for Fiscal 2017. The contribution of Gas generators continued to increase in Fiscal 2017 over Fiscal 2016. As customary, a large part of generator sales take place through OEM's, with top 10 customers contributing to 78% of Fiscal 2017 revenues. Our association with leading hydro & gas OEM'S is progressing well reflecting a good potential in these segment.

During Fiscal 2017, we added - new customers in steam, gas diesel and hydro segments. As a part of increasing our enlistment as preferred vendor, we have undergone audits by overseas OEMS for supply of wind, steam, gas & traction generators.

On standalone basis, Net sales from manufacturing business at Rs. 30,972.85 lakhs compared to Rs. 35,925.91 Lakhs in Fiscal 2016. Net sales of our manufacturing business contributed 79.80% and 75.74% of our Total Income in Fiscal 2017 and 2016.

Adverse domestic market conditions continue to be the constraining factor for growth in revenues in Fiscal 2017. However the company's ability to diversify its product portfolio and its consistent focus on overseas markets has enabled the company to sustain revenues and partially offset the unprecedented fall in domestic market. Our overseas markets will continue to drive our exports both in the medium and long-term.

We also undertake overseas Turbine Generator island (TG Island) projects for steam turbine power plants with output capacity up to 55 MW using a Japanese turbine combined with our generator through our Japan branch. Net sales from our Project Business was Rs. 6,031.46 lakhs compared to Rs. 9,609.10 Lakhs in Fiscal 2016. This contributed 15.57% and 20.26% of our Total Income in Fiscal 2017 and 2016, respectively

The pending orders as of March 31, 2017 are Rs. 35,405.45 lakhs comprising of both manufacturing (Rs. 29,696.22 lakhs) and project business (Rs. 5,709.23 lakhs).

The performance of the EPC business and overseas subsidiaries is as stated in the Director's Report.

On a standalone basis the Earnings Before interest, tax, depreciation & amortization (EBITDA) decreased by Rs. 1,764.27 lakhs or 35.20% to Rs. 3,247.46 Lakhs in Fiscal 2017 as compared to Rs. 5,011.73 Lakhs in Fiscal 2016. Profit before tax and extraordinary items decreased by Rs. 1,623.58 Lakhs or 95.92%, to Rs. 69.08 Lakhs in Fiscal 2017 from Rs. 1,692.66 Lakhs in Fiscal 2016. Profit after tax decreased by Rs. 1,488.98 Lakhs, or 99.41%, to Rs. 8.90 Lakhs in Fiscal 2017 from Rs. 1,497.88 Lakhs in Fiscal 2016.

## Management Discussion and Analysis (contd.)

On a consolidated basis the, Net sales decreased by Rs. 12,684.22 Lakhs, or 25.03%, to Rs. 37,990.90 Lakhs in Fiscal 2017 from Rs. 50,675.12 Lakhs in Fiscal 2016, due to decrease in sales volume of Manufacturing, Projects & EPC Business. Loss before tax and extraordinary items decreased by Rs. 316.01 Lakhs, or 45.70%, to Rs. 375.54 Lakhs in Fiscal 2017 from Rs. 691.55 Lakhs in Fiscal 2016. Our Loss after tax decreased by Rs. 470.11 Lakhs, to Rs. 448.43 Lakhs in Fiscal 2017 from Rs. 918.54 Lakhs in Fiscal 2016.

### Outlook

Steam, Hydro & Gas Engine generators will continue to drive revenues for Fiscal 2017. The pending orders for Fiscal 2018 is promising. The market for Steam generators is showing a gradual improvement with good pipeline of export orders. Orders from the US region, extension of an exclusivity arrangement with a MNC & a steady share of business from an Indian customer are expected to support the pipeline for steam generators. The company is working on supply of wind turbine generators to certain MNC turbine suppliers during the Fiscal 2018. The Company continues to pursue component business from the large generator segment.

The Company has received an order from a large European multinational company (MNC) in India for manufacture & supply of certain components (Product) of traction motors used in Electric Locomotives to be supplied to Indian Railways by the MNC. The total order value is about Rs 750 crores to be supplied over 10 years starting from 2018. The MNC will also provide the required technology for manufacture of the Product under License through its Affiliate Company. With this contract TDPS affirms its position as a growing market player in the traction equipment business.

Over the years, we have built a strong reference list of installations in Turkey. We are currently working on expanding this presence with a project to supply generators made in Turkey meeting certain local content requirements. This initiative has the potential to contribute significantly to both revenues and margins of the company during the next 3 years.

The domestic market conditions however, continue to be adverse with severe competition and pricing pressures. There has been no perceptible momentum in order conversions for supply of generators. We are approaching the domestic market cautiously and will pursue orders with sustainable prices. While we are well placed to capitalize on any upswing in domestic demand as well as overseas markets, Exports will continue to be our focus area in Fiscal 2017 given the tepid domestic market scenario.

While we hope that the domestic market recovers, we continue to focus on building our existing portfolio of generators for other applications. Though there is

uncertainty and continuing compression in the domestic market, we are hopeful of moderate growth in revenues and improvement in performance based on our export orders and other initiatives as stated above.

The Company continues to remain debt free & maintains a healthy cash position.

### Risk Management and Mitigation

The Company's business relates to manufacture and sale of generators falling under capital goods sector and is dependent on country's economic growth, investment climate and business confidence as well as the sectors where in the Company's products are used.

The focus on exports and ongoing association with leading global leaders has enabled the Company to reduce dependence on the domestic market and accordingly, percentage exports (including deemed exports) in turnover during the year stands at 73% of manufacturing revenues.

Some of the major risks being faced by the Company are described herein below

#### 1. Economic slowdown and market concentration

A conducive investment climate and interest rate regime, global economic and market conditions drive growth and performance of the industrial sector which forms the Company's customer base. An economic slowdown directly impacts the demand for capital goods, including the products of the Company.

Further, over dependence on any market/s may adversely affect the performance of the Company, if the concerned market gets sluggish due to factors stated above. As stated earlier, in the last 3 years, due to the slow-down in the economic activities, the domestic market has declined/remained stagnant which had considerable effect on the demand of the Company's products.

In order to reduce the over dependence on the domestic market, the Company focused on marketing its products in the global market and developed certain strategic partnerships and technology agreements. On the back of such initiatives, the contribution of exports to the total turnover has significantly grown. The Company is directing significant resources for extending its footprints in the global market to lessen the risk of over dependence on certain countries/regions. We have consistently grown our export base, by adding new OEM's within existing verticals, increase market share in existing verticals through better pricing, customization etc. and diversifying into/introducing new product verticals.

## Management Discussion and Analysis (contd.)

### 2. Technology and Product concentration

Steam turbine generators continue to be a major contributor of our standalone net sales year on year. Advanced technology relating to steam turbine generators or the development of steam turbine generators that prove superior in quality or effectiveness to our generator could affect our dominant market position in this segment.

The diverse product verticals catering to steam turbine generators, horizontal hydro generators, vertical hydro generators, diesel engine generators, wind turbine generators, gas engine generators, gas turbine generators, high voltage motors and generators for Geo Thermal and Solar thermal applications enables market presence across the spectrum of generator market in India and overseas and has reduced dependence on any particular industry or market segment. Even though Steam generators accounted for a significant portion of the revenues, the contribution of hydro, gas and other applications are consistently growing de-risking the products mix

### 3. Technology Risk

Response to and adoption of advanced technology and emerging power generation industry standards and practices on a cost-effective and timely basis is critical to sustaining and growing market reach of the Company.

The Company operates in the engineered-to-order capital goods industry where product efficiency, critical product features and overall life cycle costs play an important role.

The company design generators on the basis of customer requirements/specifications. The Company's team is engaged continuously in design and development of generators meeting customer requirements from time to time. It is an ongoing activity of the design group to develop generators for special applications.

Technology absorption continues and orders are being received for large generators. As a part of the technology agreements, the Company receives updation of technology and processes continuously from licensors.

### 4. Competition Risk

Many large corporations in Europe, America and in South East are competitors to the Company. These large corporations have access to advanced technologies, greater global reach, larger financial resources and may benefit from greater economies of scale and operating efficiencies. Competitors

may be able to sell their products at prices lower than the Company's, which may have an adverse effect on the Company's market share and results of operations. This may compel the Company to quote aggressively and impact its margins.

With a view to mitigate this risk, the Company provides value proposition to customer with products which meet the benchmark efficiencies at a competitive price and shorter delivery time, without compromising on margins. The Company continues to upgrade its engineered to order platform and design capabilities by incorporating latest technologies in its products and improvements in the design of generators enabling it to offer more efficient machines. Reduction in production, distribution costs and improvement in operating efficiencies are continuously pursued enabling it to offer competitive prices. The Company prioritizes its supply chain in sourcing good quality raw materials and other inputs at competitive prices with high reliability in meeting delivery timelines.

### 5. Risk arising from transnational sale of products

In view of export of product to several countries in various continents, there is a risk of various types of claims from customers towards under performance of product and third party claims if the laws of that country are not fully conformed to.

The Company has strict quality control procedures which ensure that all the products supplied to the customers must meet the contractual parameters. It is ensured that the contracts with customers clearly specify the obligations of the Company. In addition, the Company takes appropriate contractually insurance policies to cover all such risks.

### Manufacturing facilities, Design & Development

We have 2 manufacturing units, all located at Bangalore equipped with advanced automation/ machines which help in delivering quality products at competitive prices. One of the facilities is a dedicated large generator manufacturing unit with state of the art machines and equipment. All the manufacturing units are ISO 9001:2008 compliant.

The Company's R&D facility which is approved by the Department of Scientific Industrial Research, GOI focuses on adoption of new technology and development of superior designs enhancing performance, quality and reducing costs. The Company's team is engaged continuously in design and development of generators

## Management Discussion and Analysis (contd.)

meeting customer requirements from time to time. Projects to develop generators for Special application and for design modification and enhancement are ongoing. Our generators are approved by reputed and leading engineering consultants.

### Internal Control Systems and their adequacy

The Company has established adequate internal control system, commensurate with the nature of its business and size of its operations in order to ensure quality and reliability of underlying processes focused towards achieving operational efficiency, supported by Management reviews. All audit observations and follow up actions thereon are initiated for resolution by the finance function and reported to the Audit Committee. Attention is also drawn to the statement on Internal financial control in the Directors report.

### Environment, Health and Safety

As a leading Generator Manufacturer the Company conducts all its operations in a manner that is protective of the environment, health and safety of employees, customers, suppliers and the community in large and is a zero discharge facility. In fulfilling this commitment, we maintain and continually improve all our process and complying with legal and other requirements, in order to

- Ensure safety and Health of our employees, associated stakeholders and focus on how to make the world a better place to live.
- Comply with all applicable legal Safety and Health performance of individuals at different levels while considering their career advancement in the organization.
- Enhance Safety, Health & Environment (SHE) awareness amongst employees and associated stakeholders through effective communication and training.
- Ensure SHE responsibility amongst all the employees in their practices, promote and value their involvement in achieving the goals of this policy.
- Fix responsibility of SHE policy and procedures on the contractors, Sub-Contractors, Transporters and all other agencies operating with the Company.
- Integrate Health & Safety in all decision-making processes of the company including those dealings with purchase of plant equipment, machinery & materials as well as selection and placement of personnel.
- Adopt all the relevant techniques & methods such as risk assessment and safety audits at appropriate intervals of time to assess the status on Quality, Environment and Health & Safety and take relevant remedial measures to overcome problems encountered.

The Company's environmental, occupational health and safety management systems fulfill ISO 14001-2004 and OSHAS 18001- 2007 requirements.

### Human Resources

Continuous skill development and enhancement is important for the Company with its focus on export markets. The Company recognizes that its workforce is critical to the Company's success and therefore, is committed to training, skilling and up skilling it/s work force on an ongoing basis which ensures that its work force is able to adopt evolving technologies, processes and techniques. The Company's leadership engages affirmatively in employee development and engagement activities such as involvement in the 'Corporate Responsibility' initiatives, active participation of work force in safety initiatives, quality improvement programs, language skills, leadership development programs, training programs and training under license agreements, on an ongoing basis. During the year, about 47 man days per employee was dedicated for training. Employee relations continue to remain peaceful and cordial.

The Company believes in equal opportunity in recruitment and in the course of the employment among employees regardless of color, race, gender, social origin, caste or religion. Efforts are continuously made to create an inclusive working environment for women and to integrate them in organizational functions.

The Company firmly believes that every woman employee of the Company has a right to work in an environment free from sexual harassment, intimidation or offensive behavior and in which issues of harassment will be resolved without fear of reprisal. In this direction a Policy on prevention/prohibition of sexual harassment of woman at Company's workplace ("Policy") is in place to take effective measures to avoid and to eliminate and if necessary to impose punishment for any sexual harassment in the Company's work place integrated with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Company continues to reinforce the Code of Business Conduct across functions/workforce. In order to enhance communications and to create a congenial environment, the organizational leadership and the shop-floor employees of the company have invested significant amount of time and effort.

As on March 31, 2017, the total strength of employees stood at 582.

## STANDALONE FINANCIAL STATEMENTS

**INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF TD POWER SYSTEMS LIMITED**

**Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of TD Power Systems Limited ("the Company") which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditors of the Company's branch at Japan.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the

financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

**Other Matter**

We did not audit the financial statements of Japan branch included in the standalone financial statements of the Company whose financial statements reflect total assets of Rs.20,92,21,734/- as at 31st March, 2017 and total revenues of Rs.52,73,67,661/- for the year ended on that date, as considered in the standalone financial statements. The financial statements of the branch has been audited by the branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of the branch, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of this matter. The company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of accounts maintained by the company and produced as to us by the management – Refer note 37

Annexure B referred to in Paragraph 2 (g) under the heading “Report on other legal and regulatory requirements” of our report to the members of TD Power Systems Limited

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of TD Power Systems Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

- c). Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- d). In respect of overseas branches, which are integral foreign operations, financial statements are translated as if the transactions are those of the Company itself.

## Summary of Accounting Policies and Other Explanatory Information (contd.)

### 1.6 Taxes on Income

Provision for tax is made in terms of Accounting Standard 22 for both current and deferred tax. Provision for current income tax if arises is made at the current tax rates based on assessable income. Deferred tax is recognised on timing difference between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance sheet date. Deferred tax assets are recognized and carried forward to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Minimum Alternate Tax (MAT) under the provisions of Income Tax Act, 1961, is recognised as current tax in the statement of Profit & Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal Income Tax during the year for which MAT Credit can be carried forward for set-off against the normal tax liability. MAT Credit recognised as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

### 1.7 Borrowing Cost

Interest and other borrowing cost on borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use. Other interest and borrowing cost are charged to Statement of Profit & Loss.

### 1.8 Contingent Liabilities

Financial effects of contingent liabilities are disclosed based on information available up to the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

### 1.9 Employees Benefits

#### Long Term Employee Benefits

##### a. Defined Contribution Plans

The Company has contributed to provident fund, which is defined contribution plan. The contribution paid/payable under the scheme is recognised during the year in which an employee renders the related service.

##### b. Defined Benefit Plans

Employees gratuity and leave encashment are defined benefit plans. The present value of the obligations under such plan is determined based on

actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognised immediately in the Statement of Profit & Loss as income or expense. Obligation is measured at present value of estimated future cash flows using a discounted rate that is determined by reference to market yields available on government bonds at the Balance Sheet date with the term that matches to the liabilities.

### 1.10 Impairment of Assets

At each balance sheet date, the management reviews the carrying amount of its assets to determine whether there is any indication that those assets are impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Reversal of impairment loss, if any, is recognised immediately in the Statement of profit and loss.

### 1.11 Accounting for Lease

#### i. Operating Lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Lease payments under operating leases are recognized as an expense on a straight-line basis over the lease term.

#### ii. Finance Lease and Hire purchase transactions

Lease rentals are charged to Statement of Profit and Loss over the period of Lease. Depreciation is provided on the primary period of the lease.

### 1.12 Investment

Non-current investments are stated at cost. Provision for diminution if any, in the value of investments is made, to recognise a decline, other than temporary. Current investments are valued at lower of cost or market value.

### 1.13 Research & Development

Expenditure on Research & Development activity undertaken is charged to the Statement of Profit & Loss as and when incurred during the year, to their natural head of accounts. The expenditure incurred includes cost of materials, salaries & wages and other revenue expenditure.

Capital Expenditure is categorised and disclosed separately as Research & Development, Property, Plant and Equipment and depreciation is charged as prescribed under Companies Act, 2013 discussed in para 1.2 above.

## CONSOLIDATED FINANCIAL STATEMENTS

**INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF TD POWER SYSTEMS LIMITED**

**Report on the Consolidated Financial Statements:**

We have audited the accompanying consolidated financial statements of TD Power Systems Limited (hereinafter referred to as “the Holding Company”) and its India subsidiary DF Power Systems Private Limited. We have reviewed the financial statements of TD Power Systems USA Inc, TD Power Systems Japan Ltd, TD Power Systems Europe GmbH (“foreign subsidiaries”) for the limited purpose of verifying the compliance with Schedule III required for consolidation (the Holding Company and its subsidiaries together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

**Management’s Responsibility for the Consolidated Financial Statements**

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (herein after referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made

thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

**Other Matters**

a) We did not audit the financial statements of the following entities which included

Annexure A referred to in Paragraph 1 (g) under the heading “Report on other legal and regulatory requirements” of our report to the members of TD Power Systems Limited

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of TD Power Systems Limited (“the Holding Company”) and DF Power Systems Private Limited (“Indian Subsidiary”) as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company and its Indian Subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over

financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Independent Auditors' Report (contd.)

### Opinion

In our opinion, the Holding Company and its Indian subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

### Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of internal financial control over financial reporting in so far does not relates to 3 subsidiaries, which are companies incorporated outside India.

The financial statements of the Company have been prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in India and the provisions of the Companies Act, 2013. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent liabilities as at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period.

#### 1.2 Principles of Consolidation

The financial statements of the subsidiary company used in the consolidation are drawn up to the same reporting date as of the Company

- a) The financial statement of the Company and its subsidiary company has been combined on a line by line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealized profits or losses have been fully eliminated.
- b) The share of equity in the subsidiary company as on the date of investment is in excess of cost of

investment of the Group it is recognized as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.

#### 1.3 A) Property, plant and equipment:

All items of Property, Plant and Equipment's are carried at cost less accumulated depreciation / amortization and impairment losses, if any. The cost of Property, Plant and Equipment's are stated at cost of acquisition excluding vat/duties, inclusive of freight, taxes and incidental expenses relating to the acquisition and finance cost on borrowings utilized for acquisition of qualifying Property, Plant and Equipment's.

Property, Plant and Equipment's manufactured internally are capitalized at Factory Cost.

#### Capital work in progress:

Property, Plant and Equipment's which are not yet ready for their intended use are carried at cost, comprising direct cost and related incidental expenses.

#### B) Depreciation:

Depreciation on tangible assets is provided using straight line method (SLM) with reference to the estimated useful life of the Property, Plant and Equipment's less its residual value as prescribed under Schedule II of The Companies Act 2013, or actual useful life of the asset, whichever is lower. Property, plant and equipment's costing below Rs. 5,000/- are depreciated fully. Depreciation is charged for complete quarter on addition/deletion

#### C) Amortization of Technical Know-how Fee / License Fee:

Technical Know-how Fees is amortized over a period of 60 months

#### 1.4 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. Raw materials and bought out items are valued on first in first out basis as per Accounting Standard - 2 and includes material cost, carriage inward, insurance and purchase related expenses. Cost in respect of work in progress and finished goods are based on works cost.

#### 1.5 Revenue Recognition

##### Company

- a. Sale of manufactured goods is recognized on shipment to customers, and exclusive of excise duty and sales tax.
- b. Sale of goods in case of project business is recognised on shipment to customers.

## Summary of Accounting Policies and Other Explanatory Information (contd.)

- c. Erection and commissioning income is recognised as and when the services are performed/completed.
- d. Interest income is recognised based on time proportion basis.
- e. Dividend income is recognised when the right to receive the dividend is established.

### Subsidiaries

- a. Sales are recorded based on significant risks and rewards of ownership being transferred in favour of the customer. Sales include goods dispatched to customers by partial shipment.
- b. Income from erection and project management services is recognized on work done based on percentage completion or the intrinsic value, reckoned at 97.5% of contract value, the balance 2.5% is recognized as income when the contract is completed.
- c. Income from engineering services rendered is recognized at realizable value based on percentage of work completed.
- d. Liquidated damages in terms of the contract is recognised on crystallization.

### 1.6 Foreign Currency Transactions

- a. Foreign currency transactions are translated into Indian rupees at the exchange rate prevailing on the date of the transaction.
- b. Monetary foreign currency assets and liabilities outstanding at the end of the year are restated at the exchange rates prevailing on the reporting date. All exchange differences are accounted for in the statement of profit and loss.

differences, accumulated in foreign currency translation reserves.

### 1.7 Taxes on Income

Provision for tax is made in terms of AS 22 for both current and deferred tax. Provision for current income tax if arises is made at the current tax rates based on assessable income. Deferred tax is recognised on timing difference between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance sheet date. Deferred tax assets are recognized and carried forward to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Minimum Alternate Tax (MAT) under the provisions of Income Tax Act, 1961, is recognised as current tax in the statement of Profit & Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal Income Tax during the year for which MAT Credit can be carried forward for set-off against the normal tax liability. MAT Credit recognised as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

### 1.8 Borrowing Cost

Interest and other borrowing cost on borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use. Other interest and borrowing cost are charged to statement of Profit & Loss.

### 1.9 Contingent Liabilities

Financial effects of contingent liabilities are disclosed based on information available up to the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

### 1.10 Employees Benefits

#### Long Term Employee Benefits

#### a. Defined Contribution Plans

The Company has contributed to provident funds, which is defined contribution plan. The contribution paid/payable under the scheme is recognised during the year in which an employee renders the related service.

## Summary of Accounting Policies and Other Explanatory Information (contd.)

### b. Defined Benefit Plans

Employees gratuity and leave encashment are defined benefit plans. The present value of the obligations under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognised immediately in the Statement of Profit & Loss as income or expense. Obligation is measured at present value of estimated future cash flows using a discounted rate that is determined by reference to market yields available on government bonds at the balance sheet date with the term that matches to the liabilities.

### 1.11 Impairment of Assets

At each balance sheet date, the management reviews the carrying amount of its asset to determine whether there is any indication that those assets are impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Reversal of impairment loss, if any, is recognised immediately in the Statement of Profit and Loss.

### 1.12 Accounting for lease

#### i. Operating Lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the

lessor are classified as operating leases. Lease payments under operating leases are recognized as an expense on a straight-line basis over the lease term.

#### ii. Finance Lease and Hire purchase transactions

Lease rentals are charged to statement of Profit and Loss over the period of Lease. Depreciation is provided on the primary period of the lease.

### 1.13 Investment

Non-current investments are stated at cost. Provision for diminution if any, in the value of investments is made, to recognise a decline, other than temporary. Current investments are valued at lower of cost or market value.

### 1.14 Research & Development
