- 1. We have reviewed the accompanying statement of Standalone unaudited financial results ("the Statement") of M/s TD Power Systems Ltd. ("the Company") for the quarter 30th June, 2019, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Audit of the Entity" issued by the Institute of Chartered Accountants of India. A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and accordingly, we do not express audit opinion.

4. Emphasis of Matter

As stated in Note No 5, no further provision for impairment in the carrying value of investment in subsidiaries is considered necessary by the management for the reasons stated therein.

Our opinion is not modified in respect of the above matter.

5. Other Matters

Attention is invited to the following:

i. As stated in Note No. 2, the Statement includes results for the quarter ended 31st March 2019 which is the balancing figure between audited figures in respect of the full previous financial year and published unaudited year to date figures up to the third quarter of the previous financial year which were subject to limited review by us.
